RE: Letter of Recommendation

We began working with The Medicus Firm on a number of challenging searches and we were pleased with the results. We were assigned a recruiter who is a Pennsylvania native and specifically focused on Pennsylvania. This was a real asset and I believe made a big difference in the results they produced.

The Medicus Firm successfully completed hospitalist, OB/GYN and radiology searches on our behalf, and we were very pleased with the work they did for us. I recommend them for assisting with your recruitment needs.

Sincerely,
