This statewide survey and awards program was designed to identify, recognize and honor the best places of employment in Texas, benefiting the state's economy, its workforce and businesses. The Best Companies to Work for in Texas 2009 list is made up of 100 companies.

Bob Collins, Co-founder, said "We have been fortunate to earn many honors for the growth we have achieved, but none mean more to us than to be recognized as a great place to work based on feedback from our own people. We started the company with two simple goals: to do great work for our clients and to provide a great work environment for our people. This is a very special honor for us."
