To Whom It May Concern:

I chose Medicus Partners for my recruitment needs based on the recommendation of several colleagues. It turned out to be a very good decision. Medicus Partners has proven to be a professional and responsive firm that is thorough and comprehensive in their presentation and review of candidates.

Marcel Barbey in particular has been an excellent recruiter to work with. Marcel took the time and effort to understand our environment and make positive recommendations regarding our recruitment needs. We were able to find an excellent Neurologist in very short period of time.

I will continue to work with Medicus Partners and strongly recommend them as a recruiting firm.

Sincerely,
