Dear Mr. Parker,

Spalding Regional Medical Center has worked with The Medicus Firm successfully on several physician searches. Our recruiter, Wes Jones, has done a great job of delivering high quality, prescreened candidates for our needs. He is from the area and knows and represents our market very well.

Based upon the experiences Spalding Regional Medical Center has had with The Medicus Firm thus far, I would like to endorse their application for associate membership of the Georgia Hospital Association. Please feel free to call me with any questions or concerns.

Sincerely,
