To Whom It May Concern:

We initially engaged The Medicus Firm back in 2009 for an OBGYN and Family Practice search at the recommendation of another organization because of the challenges we were faced with. Our organization serves a geographically dispersed, low-moderate-fixed income, ethnically diverse patient population. We have grown to be one of the largest comprehensive migrant/community health center systems in the state. Not only did The Medicus Firm fill both of those initial positions, we have recruited 6 providers with the Medicus Firm over the years. Recruiting to the Central Valley of California has its challenges. We felt that we needed the assistance of a recruiting firm with a national candidate reach but with a local understanding of our communities.

I am pleased to offer this letter as a reference for The Medicus Firm. Over the years I have worked with a number of recruiting firms, some successful and others that were not. Recruiting physicians in the current marketplace can be a daunting and time consuming task. When The Medicus Firm offered their services I found several attributes that led me to believe they would be successful, I felt confident that our opportunity was represented in the best possible light.

PROGRAMS INCLUDING:

WIC (30 locations) • BEHAVIORAL HEALTH • PERINATAL CARE (CPSP) • CHDP • FAMILY PLANNING • CDP • BLACK INFANT HEALTH • AFLP • ADOLESCENT SERVICES • MEDICALLY VULNERABLE INFANTS • MOBILE HEALTH • HIV/AIDS SUPPORT SERVICES • NEIGHBORHOOD PARTNERSHIPS • MEDI-CAL/HEALTHY FAMILIES/FOOD STAMP ELIGIBILITY

Providing medical, dental, behavioral, case management and education, and social services to the people of Kern, Fresno and Inyo Counties since 1971.

We have been very pleased with the results of this partnership. If you are looking for a truly professional organization to partner with for your physicians recruitment needs, I recommend The Medicus Firm. They will certainly be a part of our future recruitment efforts.

I have been particularly pleased with their level of communication and follow thru, the providers they present know what we are looking for and what we offer. They are a cut above other groups we have worked with.

Sincerely,
