To Whom It May Concern,

The Ely-Shoshone Tribe in Ely, Nevada, would like to provide this letter of recommendation for the work and partnership The Medicus Firm offered in our effort to recruit a provider for the Newe Medical Clinic. In a time of uncertainty for much of the world, we found ourselves in a position in which our previous (solo) provider made the decision to leave our practice. We knew we needed to fill the position quickly, and after experiences with other firms in the past, we chose to partner with The Medicus Firm.

This was the best experience we have had with any recruitment firm. Our recruiter was very knowledgeable and provided us with a game plan and strategy that accomplished exactly what we needed. Within weeks of beginning our search, we had a handful of candidates to review and interview. Very quickly, we identified the right fit provider and signed them to an employment agreement shortly thereafter.

In a world where there are new challenges each day, The Medicus Firm stepped up and delivered when we needed it most. They never over-promised, and they were transparent and honest throughout the entire process.

If anyone needs assistance in recruiting providers, do not think twice. The Medicus Firm is the right partner for you. We will continue to use them as needs arise. If you have any questions about our experience, please reach out.

Thank you TMF Team for all your help!
