To Whom It May Concern,

As the CEO of a critical access hospital, I have utilized several recruitment firms over the years. After a multitude of failures and bad experiences, I was skeptical that any firm would be reliable in helping me find physicians. I decided to give The Medicus Firm a chance and I'm happy that I did.

My partnership with The Medicus Firm has been vastly different from what I experienced with other firms. They delivered quality, vetted candidates quickly and have had great communication so that I always know what's going on.

Within a month of getting started, The Medicus Firm successfully recruited an Urologist to join my hospital and I also just hired an Interventional Radiologist they sent my way.

The Medicus Firm has come through big time for us. If I ever have needs come up in the future, I would not hesitate to contact The Medicus Firm to represent my opportunities. They have become my go to recruiting firm.

Sincerely,

Rob Schmitt
