Letter of Recommendation

I am pleased to offer this letter as a reference for the Medicus Firm. Over the years I have worked with several recruiting firms. Recruiting Emergency Medicine and Pulmonary Medicine can be a daunting and time-consuming task, when The Medicus Firm offered their services, I found several attributes that led me to believe that they would be successful.

Southern Indiana Physicians has been seeking quality Emergency Medicine & Pulmonary physicians for some time and The Medicus Firm successfully presented only the most qualified and truly interested candidates. The candidates hired by our organization were well informed of the opportunity and our recruiting partner (David Kirschner) ensured that we were in constant and meaningful communications always. I couldn't have asked for a better partner.

Physician recruitment is a timely pursuit and by hiring The Medicus Firm, I feel confident that our opportunities are being represented in the best possible light. If you are looking for a truly professional organization to partner with for your physician recruitment needs, I highly recommend The Medicus Firm.

The "Best of Staffing" award winner will be a part of our future recruitment efforts.

Sincerely,
