To Whom It May Concern:

I have been working with The Medicus Firm for over a year now. We have been working together on a difficult rural need for OBGYN care here in the Williston community.

We have worked closely with our recruiting partner at The Medicus Firm and Alan Borgeson has done a superior job in presenting quality, interested candidates for consideration. Alan's efforts have allowed us to better present our practice and the community to prospective candidates on a regular basis.

Throughout this process, Alan has been a true professional and he has kept in constant communication with me. In addition, he is always available when I need to get in touch with him. I enjoy working with Alan and The Medicus Firm and would highly recommend this firm to anyone who is in need of physician recruitment assistance.

Sincerely,
