To Whom It My Concern:

I would like to take this opportunity to thank The Medicus Firm, specifically Brent Holland for an excellent recruiting experience. Brent's attention to detail, prompt and thorough communication, personable demeanor, and willingness to go the extra mile proved to turn out positive results. Last week, we were able to sign an exceptional Family Practice physician who will integrate perfectly with our community here in Duncan, OK. Due to Brent's diligence and constant contact with the candidate, we were able to have a very positive on-site interview that ended with barbeque at the CEO's home. As with any business relationship, communication is the key to success. Brent kept us well informed every step of the process. When he committed to something, he always delivered and followed up to ensure the outcome was as we expected

My experience working with The Medicus Firm was exceptional and I couldn't be happier with their level of expertise, commitment, and customer service. They delivered on what they promised. I have worked with many recruitment firms over the years and have had all types of experiences. The Medicus Firm exceeded my expectations putting them at the top of my list for physician recruitment. When the opportunity for us to recruit another physician arises or when asked by our peers for recruitment advice, we will gladly share our experience and without hesitation recommend The Medicus Firm.

Sincerely,

Rick Buchanan, FASPR
