Letter of Recommendation for Victoria Miller

Dear Sirs,

I have had the pleasure of knowing Victoria Miller since the beginning of this year. Victoria worked with me on a recruitment initiative for an internal medicine physician to join an existing multi specialty practice. I found Victoria to be very professional in all aspects of our business relationship. She maintained vigilant contact with the candidate and me throughout the process. Victoria was open and understanding of the situation and the corresponding benefits and limitations. She advocated on behalf of the candidate when needed and balanced the concerns of the practice as well.

We were successful in this first initiative and I will engage her services the next time we have a need. Please feel free to contact me with any specific questions you may have.

Sincerely,

Raymond J. Beck
