To Whom It May Concern:

I have worked with The Medicus Firm and Victoria Miller on an ongoing basis for some time now and I find their professionalism and follow-up outstanding.

The initial on-site practice and community evaluation was thorough and precise to better present our physician opportunities Medicus focuses on the marketing strategies, sourcing and screening of potential candidates to give Saint Vincent Health Systems physicians that are a good fit, not only for the practice, but the community.

Victoria is in touch on a regular basis and provides detailed profiles for every candidate submitted and has good rapport with the candidates and with the recruiters in our department here at Saint Vincent.

I highly recommend The Medicus Firm for recruitment of physicians and for those difficult ongoing placements.

If you need any further information or have questions, please do not hesitate to contact me.
