Re: Letter of Recommendation

I am pleased to offer this letter as a reference for The Medicus Firm. Over the years I have worked with several recruiting firms, some successful and others that were not. Recruiting Family Medicine can be a daunting and time-consuming task, when The Medicus Firm offered their services; I found several attributes that led me to believe that they would be successful.

St. Ann's Community has been seeking quality Family Medicine physicians for some time and The Medicus Firm have successfully presented only the most qualified and truly interested candidates. The candidates interviewed by our organization were well informed of the opportunity and our recruiting partner (Julie Wyant) ensured that we were in constant and meaningful communications always. Julie was very supportive of our team and the physicians she recruited. I could not have asked for a better partner.

Physician recruitment is a timely pursuit and by hiring The Medicus Firm, I feel confident that our opportunities are being represented in the best possible light. If you are looking for a truly professional organization to partner with for your physician recruitment needs, I highly recommend The Medicus Firm.

The "Best of Staffing" award winner will certainly be a part of our future recruitment efforts.

Sincerely,
