To Whom It May Concern:

It is my pleasure to recommend The Medicus Firm as an outstanding business associate of Cuero Community Hospital. Having been involved in healthcare administration for a number of years, I have worked with several recruiting companies. None of them were able to provide the results delivered by The Medicus Firm and Mr. Chad Rudel in such a short period of time.

He was very diligent in his search and communicated with me on a regular basis. He took the time to understand our needs as a rural healthcare provider, and presented several well qualified candidates for our Family Practice/OB position. All the candidates who interviewed were a "good fit" for the position and we already have a signed agreement for one FP/OB and have another offer pending with a second physician.

I highly recommend The Medicus Firm to anyone recruiting providers for permanent placement. Please don't hesitate to contact me to discuss our experience with The Medicus Firm and with Mr. Chad Rudel. Based on our recent professional relationship, I will not hesitate to utilize their services in the future.

Sincerely,

Skip Gjolberg
